

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Pass Resolution 91-218; an application for State of California, "Habitat Conservation Fund" monies for reconstruction of the Mokelumne River levee in the area of Pigs Lake.

MEETING DATE: November 20, 1991

PREPARED BY: Scott Essin, Parks Superintendent

RECOMMENDED ACTION: By resolution - That the City Council approve the passing of **Resolution 91-218**; an application for State of California, "Habitat Conservation Fund" monies for reconstruction of the Mokelumne River levee in the area of Pigs Lake.

BACKGROUND INFORMATION: The levee at Pigs Lake is in a seriously eroded condition. Until now there have not been funds available to repair this levee. However, the Wildlife Protection Act of 1990 provides \$2,000,000 .00 annually to the California Department of Parks and Recreation for the Local Agency Grant Program. This is a 50% matching grant that is available to local agencies on a competitive basis. The application deadline for the first funding cycle is December 20, 1991.

As soon as grant applications were available, Director Ron Williamson obtained a copy. Since this was a competitive grant it was decided to use our National Grant Services consultant to put together this grant. As you can see, we have a very short time line in which to put together our application for funding. Therefore, we placed this item on the Nature Area Advisory Committee agenda. They approved the concept. Loss of the levee at Pigs Lake would inundate the Nature Area. The Parks and Recreation Commission also approved the concept. The Commission expressed concern that we did not have a dollar figure on this project. However, they approved the project for Council review. National Grant Services is developing the cost estimates as part of the grant application. These figures are not available as not all contractors have responded. It is necessary to approve applying for the grant now in order to make the grant application deadline.

In discussing costs of the project with National Grant Services, Duke Foster was made aware of the City's financial condition in regards to the City's ability to provide the matching funds. His approach is to take advantage of provisions which allow for the City to charge for labor and equipment which can be volunteer in nature. We would charge for inspection services and administering the contract. We would use volunteers to do reforestation of the reconstructed levee. Duke's feeling is that we can offset substantially all of our costs in this way.

of the levee at Pigs Lake indicates a definite need for reconstruction to avoid the even costlier rebuilding of the levee once it is breached and the Nature Area inundated. It is the Department's recommendation that we be allowed to apply for the grant at this time.

RESOLUTION NO. 91-218

=====

A RESOLUTION OF THE LODI CITY COUNCIL
APPROVING THE APPLICATION FOR GRANT FUNDS FOR THE LOCAL AGENCY
GRANT PROGRAM - FISCAL YEAR 1991-92 UNDER THE HABITAT CONSERVATION
FUND PROGRAM OF THE CALIFORNIA WILDLIFE PROTECTION ACT OF 1990 FOR THE
FOLLOWING PROJECT(S).

=====

Lodi Lake Riparian Protection

WHEREAS, the people of the State of California have enacted the California Wildlife Protection Act of 1990, which provides funds to the State of California for grants to local agencies to acquire and/or develop facilities for public recreational and fish and wildlife habitat protection purposes; and

WHEREAS, the State Department of Parks and Recreation has been delegated the responsibility for the administration of a portion of the program within the State, setting up necessary procedures governing application by local agencies under the program; and

WHEREAS, said procedures established by the State Department of Parks and Recreation require the applicant to certify by resolution the approval of application(s) before submission of said application(s) to the State; and

WHEREAS, said application(s) contain assurances that the applicant must comply with; and

WHEREAS, the applicant will enter into an agreement with the State of California for acquisition or development of the project(s);

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby:

1. Approves the filing of an application for the Habitat Conservation Fund Grant program under the California Wildlife Protection Act of 1990 State grant assistance for the above project(s); and
2. Certifies that said applicant understands the assurances and certification in the application form; and
3. Certifies that said applicant has or will have available prior to commencement of any work on the project(s) included in this application, the required match; and will have sufficient funds to operate and maintain the project(s); and
4. Appoints the City Manager as agent of the City to conduct all negotiations, execute and submit all documents, including, but not limited to applications, agreements, amendments, payment request and so on, which may be necessary for the completion of the aforementioned project(s).

Approved and Adopted the 20th day of November, 1991.

I, the undersigned, hereby certify that the foregoing Resolution 91-218 was duly adopted by the Lodi City Council following roll call vote:

Ayes: Council Members - Hinchman, Pennino, Sieglock, Snider
and Pinkerton (Mayor)

Noes: Council Members - None

Absent: Council Members - None

Dear Mr. Foster:

Enclosed herewith please find the following documents which you requested in your letter dated November 25, 1991:

- a) Project description of the Habitat Conservation Fund Program for levee restoration near Pigs Lake; and
- b) Certified copy of Resolution No. 91-218 entitled, "A Resolution of the Lodi City Council Approving the Application for Grant Funds for the Local Agency Grant Program - Fiscal Year 1991-92 Under the Habitat Conservation Fund Program of the California Wildlife Protection Act of 1990 for the Following Project(s)".

If there is anything else that you may need, please do not hesitate to call our office.

Very truly yours,

Jennifer M. Perrin
Deputy City Clerk

CITY OF LODI

Ms. Alice Reimche
City Clerk
City Hall
Lodi, CA 95240

Dear Ms. Reimche:

We are applying for a grant from the Habitat Conservation Fund Program for levee restoration near Pigs Lake. Would **you** please have your agency process **the** necessary environmental documents, **based on the following:**

Project Description: Repair, restore and re-vegetate approximately 1,200 feet of levee along the Mokelumne River in the vicinity of Pigs Lake at Lodi Lake Park. Restabilize approximately **4,800** feet of riparian corridor, provide public access, vegetation and erosion control.

We are under a tight time-line of December **20** to submit all **documents**. Please expedite the environmental documents and call me when they are completed, so I can personally pick them up.

Also, would you please send me a original Resolution approving this grant application. This was approved by the City Council at their meeting on November 20, 1991.

Thanks so much for your help.

Sincerely,

Duke Foster
Principal

SAMPLE

RE: Columbia Park, 600 Columbia Street, Turlock, California.

PROJECT DESCRIPTION: The proposed project will rehabilitate an existing public park by replacing the existing rest room, installing new play equipment, constructing four (4) new picnic areas with shelters, barbecues, and tables, providing bicycle and pedestrian access through the park, **installing** new park lighting to replace inadequate existing illumination and providing benches near the existing pool and play equipment. All improvements will be replacements or upgrades except for a new walking/bicycle pathway through the park. The project site is located at 600 Columbia Street, **or**, the area between the south side of Columbia Street and the north side of High Street between Farr and Beech Street. The property is more particularly described as Stanislaus County Assessors Parcel **Number 50-22-16.**

The project has been reviewed by the City of Turlock Environmental Review Committee and is considered to be **"CATEGORICALLY EXEMPT"** from further environmental review under Section 15301(d), "Existing Facilities" and 15304 (b)(h) "Minor Alterations to Land" of the California Environmental Quality Act (CEQA) and (NEPA) Guidelines.
